

Center Name _____

Date of Visit _____

Questions You Should Ask the Provider

___ Does all staff have current training in CPR and First Aid? Have they all had a criminal history check within the last 24 months?

___ Does staff interact with children appropriately? Do they bend down and talk to the children face-to-face?

___ How does staff discipline children? If time-out is given, what procedures are used during time-out and for how long?

___ What meals/snacks does the facility provide?

___ Are there any pets at the facility? Do they have their required vaccinations?

___ Has the staff worked in child care longer than six months?

___ What is the education and experience level of the main teaching staff?

___ Ask to see the most recent: License or Registration, Health Inspection, Fire Inspection, Gas Inspection.

___ Were you given a copy of the facility's parent policies?

Notes:
