Objective

Electrician position with full range of responsibilities from installation to maintenance.

Summary

Over 16 years of experience in all aspects of the electrical field. Expertise in troubleshooting electrical circuits and providing necessary maintenance. Effective supervisory skills.

Experience

1992 to Present

Master Electrician XYZ Electric – Amarillo, TX

Performed total electrical renovation of apartments, replaced fixtures, switches, receptacles and all wiring. Performed new wiring of single family homes, townhouses, and assisted with commercial work on high rise office buildings.

1987 to 1992

Electrician United States Army – Fort Bragg, NC

Repaired, installed, adjusted, modified, and tested electrical systems and devices for 300,000 square feet of office and classroom space including: Electrical Panels; Magnetic Starters; Breakers; Telephone Lines; Wire; Computer Lines; Motors; and Switches and Receptacles.

Purchased materials for over 1,000 electrical items. Trained two apprentices on electrical maintenance procedures. Read blueprints and schematics for wiring of new equipment and new buildings. Worked with voltages up to 480-volt 3-phase systems.

1985 to 1987

Retail Clerk Morgan's Pharmacy – Amarillo, TX

Cashiered, stocked shelves, and completed annual inventory.

Education

High School Graduate – Amarillo, TX
Timber Community College – Amarillo, TX
Associates Degree, Electrical Construction – 3.68 GPA

License

Texas Journeyman's License #5678-JK
